Goal 1: New Collaborative Workpaper Review Process: Outcome

- **Test Cases**

- Garage Luminaire
- Q-Sync Motors

- **Results**

- Garage Luminaire
 - ✦ Disposition – Direction to use completely different methodology than proposed/discussed with EAR Team; other issues
 - ✦ WP Developer and sponsoring utility observations/conclusions from experience
- Q-Sync
 - ✦ No disposition – EAR Team feedback: Measure has lots of potential - not ready for market
 - ✦ Observations/conclusions from experience

- **Summary Observations: CA New Measure Approval Process**

- Data/Observations from past three years?
- What Next?

Goal 1. Review and Approve Selected Measures (at least 8)

5

2016 Cal TF Measures Reviewed

- Third Party Measures
 - Ductless Mini-Splits**
 - Efficient Pumps*
 - Smart Thermostats*
 - Q-Sync motors
- IOU Measures

 - LED Garage Luminaires
 - LED Billboard Signage*
 - LED Lamps – 4 pin**
 - VFD: Fluid Pump VFD, Well Pump VFD, Process Pump VFD**
 - LED Methods – Switching to Lumen Equivalency from Wattage Reduction Ratio
 - LED Methods – Wattage Range**
- Other measure review
 - Appliance Recycling Methodology for reviewing POU TRM

NOTE: * means in review, and ** means TF provided input but did not affirm.

Goal 2. Facilitate Statewide Coordination of IOU Workpapers

6

- CPUC Staff Directive
 - IOUs must coordinate on WP development and submit only one WP per measure
- Cal TF Monthly Coordination
 - WP leads make updates to master list; consolidated
 - Monthly call to discuss current and upcoming new measures and changes
- Other SW Coordination Activities - Needs to be Focus in 2017
 - **Measure Consolidation:** Measure consolidation process.
 - **Common Development Guidelines/QA/QC:** Reviewed existing utility WP development/QA/QC procedures – recommending single procedure for all workpapers
 - **Common Repository:** Open to all
 - **Agreement on Cost Reductions:** Need to build agreement (between PAs and CPUC Staff) on changes that will reduce WP development/maintenance costs
 - **WP Development Process Open to All:** Consistent with Final Decision
 - **Process for Further Data Collection/Research to Refine Values**

Goal 3: Continue Development of eTRM Workplan

7

- Collected all active WP
 - Developed plan for consolidating
- POU/IOU Charrette for eTRM specifications
- Drafted eTRM RFP (July)
 - Internal review status
- Developed TPPs/Other Docs needed to guide work
- Built staff support
 - Joint CPUC and Cal TF Staff “Next Steps” Memo
- Developed budget
 - May PAC presentation
- Further Development
 - eTRM Workplan
- Open Remaining Items
 - Discussion

Goal 4. Develop Technical Position Papers Necessary for eTRM (at least 1)

8

- 2016 TPP Supporting eTRM development
 - Topic: **Existing Measure Consolidation/Review process**
 - Approach
 - ✦ Checklist and Template-driven process for consistent approach
 - Checklist and Template: Overlapping Measure Comparison
 - Template: Workpaper Source Quality Analysis Template
 - Template: Other TRM Analysis (if needed)
 - ✦ Process: Overlapping Measures
 - Summarize and Identify similarities/differences
 - Gather and analyze source documents
 - Subcommittee input to harmonize differences
 - Place measures in eTRM data form
 - Status
 - TF has reviewed/refined approach twice
 - Approach piloted on select LED measures
 - Draft: November TF; Final December Cal TF approval
 - ✦ Test in 2017

Goal 4. Develop Technical Position Papers Necessary for eTRM (at least 1)

9

- 2016 TPP Supporting eTRM development
 - Topic: **Cal TF QA/QC Process and Standards**
 - ✦ Draft process reviewed twice by Cal TF
 - ✦ Cal TF Staff collected/reviewed internal utility procedures
 - ✦ Cal TF Staff has reviewed ESPI feedback, plus staff's feedback on same.
 - Timing
 - ✦ Draft TPP November; Final Approval December
 - ✦ Test and learn in 2017

Goal 4. Develop Technical Position Papers Necessary for eTRM (at least 1)

10

- **Proposed: TPP #8: Preponderance of Evidence for Early Retirement/Repair Eligible Measures**
 - Builds on Prior Cal TF Work
 - ✦ Repair eligible TPP (2015)
 - ✦ ACEEE Informal Session
 - ✦ Draft memo re: same
 - Need volunteers to participate in 2 – 3 subcommittee meetings to complete
 - Can inform ED's Working Group (Lead: Sue Haselhorst – ERS)
 - ✦ To inform, would need to finalize in next few weeks

Goal 5. Manage RFQ for New TF Members

11

- 2016 Solicitation: Approach
 - Limit to 35
 - Needed expertise: Behavioral, modeling, statistics, study design, EM&V.
 - Requested continuing members to stay through completion of eTRM to maintain continuity through eTRM process
 - Stagger thereafter
- 2016 Solicitation: Status – Ready Since April, 2016 – on hold
 - Ready for release pending final approval of eTRM project
 - If eTRM does not move forward, will need to survey existing members again to see who wishes to continue
 - Likely several more spots to be filled
 - Release date?

Conclusion

12

- Will meet 2016 Cal TF Business Plan goals
- More early engagement and direct engagement by CPUC Staff and EAR Consultants
- Significant progress on eTRM

BUT

- End product (Workpapers) not accepted by EAR Consultants, and collaboration with EAR Consultants has not improved outcome, need alternative approach for new measure development for 2017 and beyond
