Please share feedback on other improvements we can make.

## New Measure Subcommittee

- **Timing:** Early Review & Feedback Stage
  - After the measure proposal has been “passed” by the Measure Screening Committee
  - In parallel with Measure Package Plan submittal to EAR Team
- **Target:** New Measure Subcommittee
  - Cal TF Members
  - Open to any stakeholders
- **Material:** Measure Overview presentation
  - Feedback requested on level of detail  
*(review template example)*

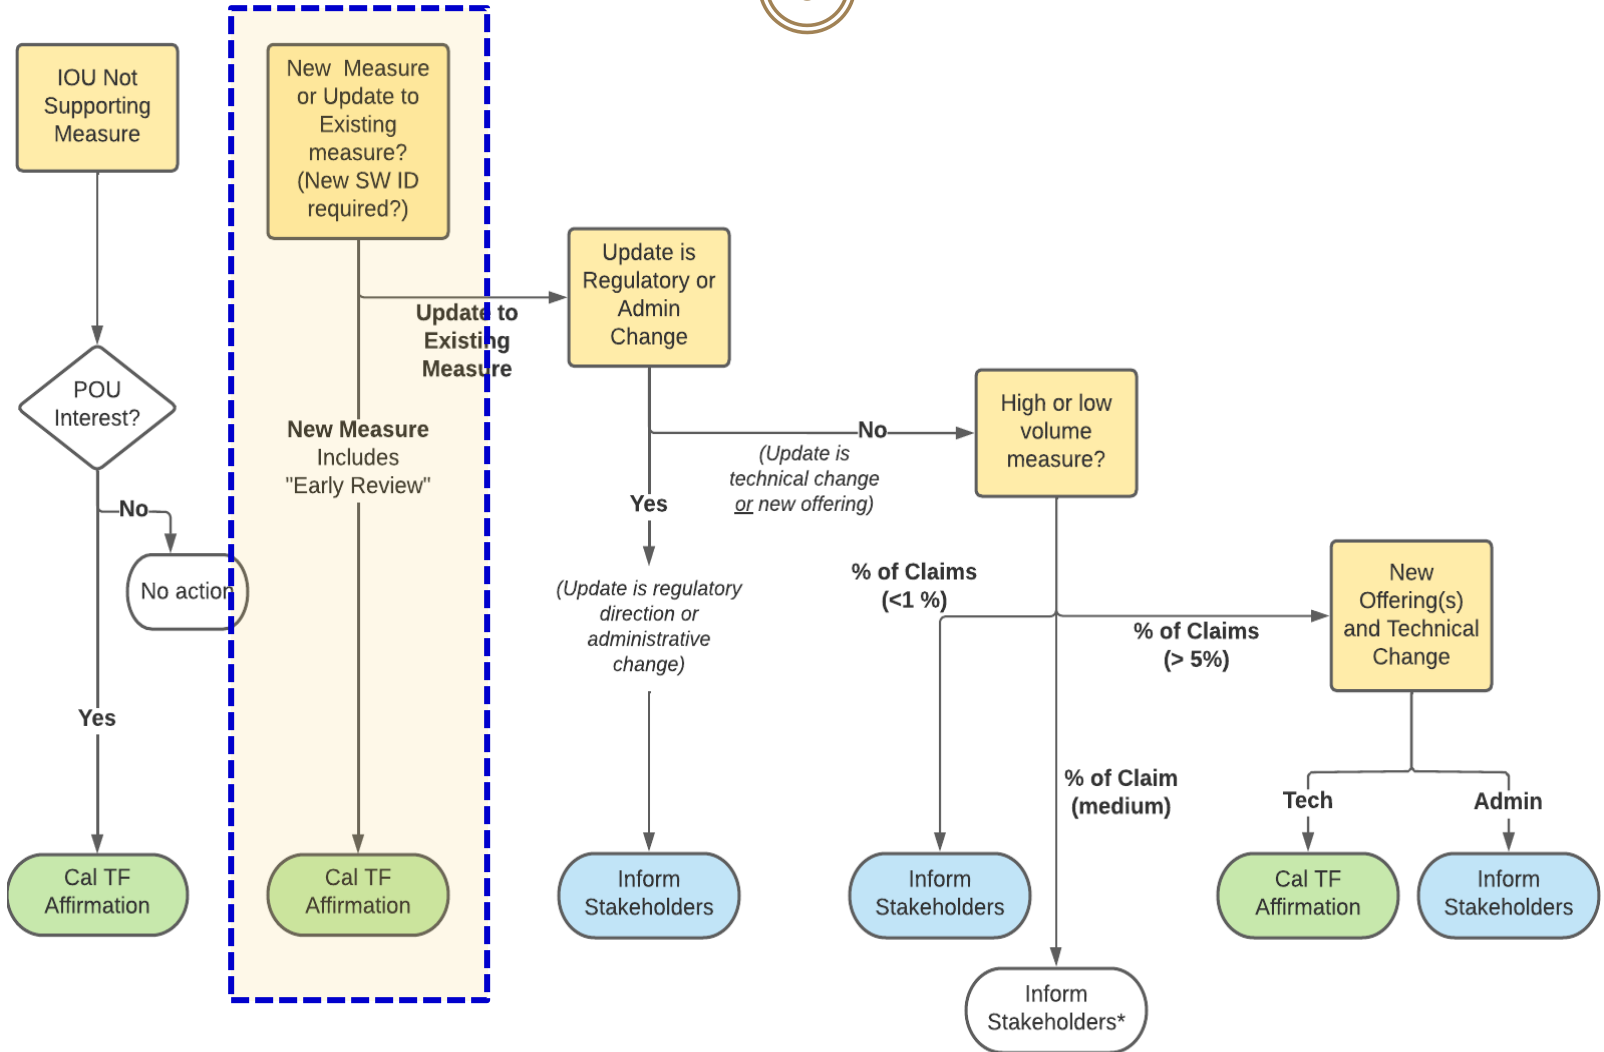

# Cal TF Affirmation

- *Timing:* Measure Review
  - After the measure package submitted to the CPUC for review
- *Target:* Cal TF Members
  - Reviewed at Cal TF Meetings
  - Careful to watch that this review does not slow down the development process
- *Material:* Measure Overview presentation
  - Updated package from Early Review stage

# Cal TF Affirmation

# Next Steps

7

- Interested in joining the New Measure Subcommittee
  - We will meet once a month
  - Targeting 1-2 weeks after screening committee meets
- Send feedback if you have comments on:
  - Website updates
  - Depth of data in the measure summary presentation
  - Cal TF Affirmation vs Inform Stakeholder decision tree

*Please reach out to Ayad if you are interested...*

# Questions / Comments

8

- Placeholders for future Cal TF meetings will be sent.
- eTRM Release of v2.4.0 planned for next week!
  - Administrator announcement will provide details.
  - Watch for training; let us know about any specific needs.
- Let us know how the eTRM Tools are working
